EcoCurtain Falls

Our EcoCurtain falls is a great way to a beautiful waterfall. The Backyard Brook Kit includes one EcoCurtain Fall of your choice, one pump vault, Liner, Underlayment ,tubing and the pump of your choice.

A backyard brook can give you the sights and sounds of water throughout the yard or garden without a pond to maintain or worry about. You can turn it on or off anytime you want.

The PondEco brook system will last a lifetime. Birds and butterfly's will flock to your yard. Just step outside and enjoy nature's music all year long, night and day.

A brook is a great place to try your hand at water gardening!
